APRIL KUO

aprilkuo14@yahoo.com

Each day up to now has seemed to me
a kind of ritualized processional,
this step-by-step advance to some
defining ceremony,
like a wedding or a funeral.

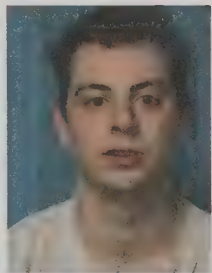

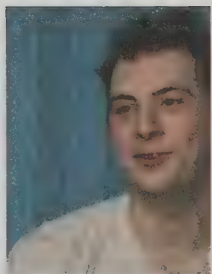

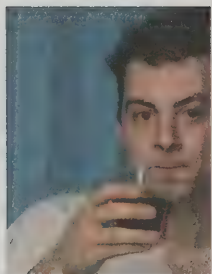

But whether it will be—
a commencement
for me
or else a last crucible,
I do not know.

Let me simply
bear my flesh,
and my blood,
and bones.

I will fly
a flag

Tomorrow,
when this house
is alive and full,
I will be outside,
looking in.

I will be already
on a walk someplace
in this town
or the next
or one five thousand miles away
I will circle round and
arrive again.
Come almost home.

DREAMAWAY

The night hung over her eyes
Like a place of sincerity

Rest

Slumber masking the conscious
Of everyday motive

Calm

And only true beings lay there
to say what they meant

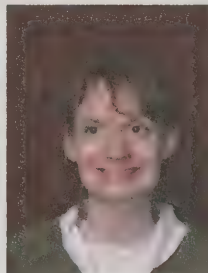

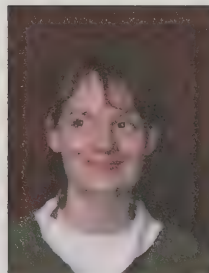

Be Still

Hollow moments envelop
the world

Aware

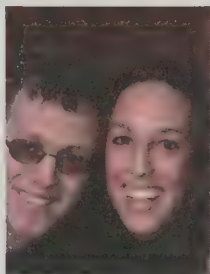

People were growing further away
from themselves

Oh, Perfidious Universitas!

I Do not love thee!--no, I do not love thee!
And yet when thou art absent I am sad;
And envy even the bright blue sky above thee,
Whose quiet stars may see thee and be glad.

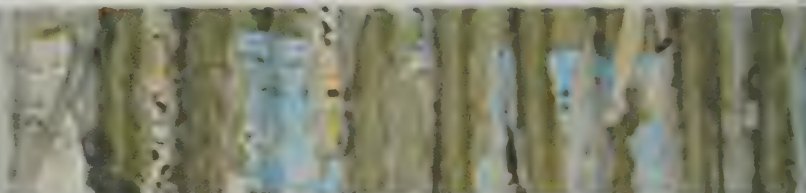

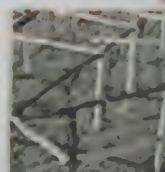

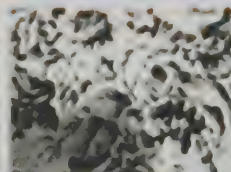

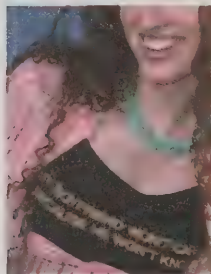

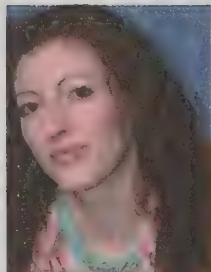

I know I do not love thee! yet, alas!
Others will scarcely trust my candid heart;
And oft I catch them smiling as they pass,
Because they see me gazing where thou art.

Supper Longbox

original Last Supper is unquestionably one of the greatest paintings of all time, but what master be improved with Paint-by-Numbers technology? This 11 1/4" x 5" x 2 1/2" metal longbox gives the power and glory of Jesus' last meal mixed with the blurry kitsch of homemade art. With metal lid and black plastic handle.

Rose, 04/12/2004

Suzanne, the only way that you're moving to San Francisco is your ability to work 4+ jobs at once. Suzanne is myself, minus the elitist sense of human dignity, plus the ass. I'd go to Israel with you, but I don't like guns.
